Re: *State of New York v. U.S. EPA*
Index No.: 1:19-CV-01029

Dear Judge Hurd:

On June 2, 2020, this Office contacted the Clerk Philip McBreaty inquiring about the logistics for oral argument in this matter, which is presently scheduled for June 15, 2020 in Utica, New York. We understand from the Court that the parties' motions will be decided upon submission and oral argument will not be heard. It is also our understanding that Court may decide, after further review of the papers, that argument may ultimately be required. In that event, the Court would schedule argument for later this summer on a date selected by the Court, which would be conducted via phone or video-conference.

Sincerely,

James C. Woods
